## TEMPLATE

# MDU-RP Reproducibility Pack

A practical logging template for projects and research contributions

---

## HOW TO USE

Use this as a document you update every week.  
If a claim cannot be reproduced, treat it as unfinished.

## SECTIONS

- 1) Project metadata
- 2) Research question
- 3) Data inventory + governance
- 4) Methods + baselines
- 5) Experiment log (runs)
- 6) Results + interpretation
- 7) Reproduction checklist
- 8) Risks + ethics notes

## EXAMPLE RUN ENTRY

Date: \_\_\_\_\_  
Change: \_\_\_\_\_  
Environment: OS, language versions, dependencies  
Command(s): \_\_\_\_\_  
Artifacts: paths, links, checksums  
Notes: failures, surprises, next steps
